

CHƯƠNG 1: tôi là ai

Most of us don't know how to spend money. We chase things that impress others but leave us cold. Or we save endlessly, afraid to spend on what would actually make life better. We confuse admiration with envy, comfort with excess, and utility with status.

The Art of Spending Money doesn't provide budgets, hacks, or one-size-fits-all solutions. It gives you understanding of how your relationship with money shapes your decisions—and how to reshape it so money works for you.

Morgan Housel's work has helped millions rethink how they earn, save, and invest. Now he turns his attention to the other side of the equation: how to spend. With insight and warmth, he shows why the most valuable return on investment is peace of mind, why expectations matter more than income, and why doing well with money has less to do with spreadsheets and more to do with self-awareness.
